

## ABOUT US

Syscom Distributions LLC was established to provide quality brands of IT products and services to the MENA Region. Strategic partnerships with major brands have enabled us to become a key player in the industry. Our sales division is backed by highly skilled engineers equipped with all the necessary tools to make sure customers get the best pre and post sales support.

### *Our Mission*

Our Mission is to deliver the best value and volume proposition to both vendors and reseller partners; by following a proactive approach for product marketing and distribution to become a partner of choice.

### *Our Vision*

*Our Vision is to become a leading IT Distributor in the Middle East, Africa and USA for a vast range of varying industry verticals like Oil & Gas, Hospitality, Government, Law Enforcement, Defense, Telecom and so on. We believe in bringing the best-of-breed technology to client's footsteps and facilitate extracting maximum potential from pioneering products for improved business pace and scalability.*

# OUR STRENGTH

We provide our customers with a wide range of products backed by competitive pricing, excellent service and knowledgeable support.
